

IMPORTANT NOTES

- Final areas & dimensions are subject to design changes, council approval and field survey and may differ from those shown on this plan.
- Levels shown are referenced to the Australian Heights Datum (AHD) and represent the completed surface.
- The proposed contours, fill levels and retaining wall details are compiled from engineering designs provided by Empire Engineering Pty Ltd in August 2024.
- This plan was prepared to satisfy Section 11 of the Land Sales Act QLD 1994.
- Builders shall not build off the design levels shown; a site survey is required.
- These notes are an integral part of this plan.
- Earthworks fill on the subject allotment will be undertaken and compacted in accordance with the provisions of AS3798 under Level 1 supervision.
- At the time of preparing this plan, the location of any easements may not have been finalised. A relevant Authority may require easements as a condition of any approval or as a condition of sealing this plan. The Seller reserves the right to include such easements on the final plan.
