Morayfield South

MORAYFIELD, A FAMILY FRIENDLY ENVIRONMENT.

Who could have guessed farming land just 38 kms north of Brisbane, named by cotton farmer George Raff in the 1860s after his former home in Scotland (Morayshire), would develop into one of Queensland's major property hot spots?

With the rapid population growth in greater Brisbane, the region attracted young families and retirees looking for affordable land and a more laid-back lifestyle.

Fast forward to today and the Moreton Bay Council has truly recognised the area's potential by masterplanning what is now the thriving community of Morayfield.

This family friendly suburb now boasts both private and state schools, parks, sports centres, major shopping centres and a direct rail service that connects commuters to Brisbane and the Sunshine Coast.

With its close proximity to the beaches of Bribie Island and the Sunshine Coast, Morayfield has developed into the perfect location for keen fishermen and families seeking four wheel drive and camping adventures.

Through all this growth, the rural heritage has not been left behind as parks, waterways and cycle tracks (all accessible from the Affinity Estate) still provide families with a plethora of recreational opportunities and that laid-back lifestyle many are looking for.

WELCOME TO TRASK COUNTRY

**The Moreton Bay region is home to the Trask team.
It's where they have grown up.**

They know the region, the people, the places.

From Redcliffe Pier, to the azure fishing grounds of the Bay and the bike tracks of the hinterland, this region provides a rich and enviable lifestyle.

This is their canvas for developing the Affinity Estate so that future home owners can make the most out of the Queensland lifestyle.

“Blessed with major shopping, Brisbane CBD rail links and affordable land, the Moreton region is fast becoming Queensland’s Number 1 property hot spot.”

Michael Matusik, Property Analyst.
