PROJECT OVERVIEW

Our community

Ripley is positioned in the geographical heart of Brisbane's west corridor and in South East Queensland's fastest growing region¹. Ripley is conveniently located only 10 minutes from Ipswich CBD, connected to Springfield (15 minutes), Brisbane (40 mins) and the rest of SEQ via two main arterials (Cunningham Highway and Centenary Highway), where it offers families everything they need to thrive.

It is anticipated that there will be up to 50,000 new dwellings in the region, providing housing for an additional 133,000 residents over the next 15 years². The region has seen an increase in funding across all levels of government, with new schools including Ripley Valley State School, road improvements and future rail between Springfield and Ipswich.

New amenities are also available to the community including the recently opened Yamanto Central and Ripley Town Centre.

10 percent of the employment in the region comes from the Amberley RAAF base, which will receive approx. \$270 billion in funding over the next 7-10 years.
