FLORA-FAUNA INTEGRATION

With our sustainable approach to property development, we're crafting communities that are beneficial for both the environment and the people who call it home. By implementing dense natural landscaping in the bio-retention basin, we promote native landscapes and support diverse flora that preserve species and attract bird life.

ELEVATED LIVING STANDARDS

At Bluegum Rise, we're committed to preserving an outstanding streetscape. Our team is readily available to offer guidance and ensure a high-quality standard is upheld for every home, giving you peace of mind and the freedom to live your best life with confidence in your investment.

UTOPIAN TREE-LINED STREETS

Driving down the tree-lined streets towards your brand-new home, you'll feel a sense of pride and security. As you stroll through the peaceful neighbourhood, your senses will awaken with the sweet fragrance of blooming Bluegum flowers and the soft rustling of leaves from the trees. Take a deep breath of fresh air and revel in the thriving utopia of Bluegum Rise.

Bluegum brings families together

Saturday afternoons will be filled with fun and laughter as children play backyard cricket and parents enjoy long sunset barbeques – all centred around creating lasting friendships built over shared memories.

Logan Village offers everything you need, from daily necessities to your full weekly shop at the Logan Village Marketplace.

VILLAGE GREEN

Logan Village is home to recreational spaces and facilities including the Logan Village Green which has an adventure playground that little adventurers will love.

RAIL TRAIL

Between Logan Village and Yarrabilba extends a continuous corridor of lush green trees. Look out for the signage dotted along the trail to learn something new, or go for an evening stroll and see the white bollards light up with outlines of significant historical figures to the region.

LOGAN VILLAGE SKATE PARK

Designed for all ages and abilities, this brand-new skate park boasts a variety of features to get your adrenaline pumping. From elevated bowls to quarter pipes and street sections, you'll find something to suit your style whether you're riding a skateboard, scooter, or BMX bike.

LOGAN VILLAGE MUSEUM

Learn over 150 years of local history at this local museum in the centre of Logan Village. The museum is run by volunteers eager to share their stories with you. They can also help you learn about your own genealogy.

VILLAGE LINKS

A unique 9-hole golf course set at the foothills of the Darlington Range where no two holes are the same. The course provides a great range of conditions for first-timers and seasoned players.

Looking after your health

Bluegum Rise has a range of medical and allied medical services to ensure you and your family are cared for.

Logan Hospital strives to deliver quality healthcare to the community by providing general services, including a 24-hour emergency department, medical imaging and a pharmacy. It also provides mental health and other specialist services, so you and your loved ones will always receive the care they need.

Shape the minds of the future

Support your children's growth and nurture their development with a range of nearby schools.

Set your little ones up for a bright future at nearby day care and kindergarten facilities, where they'll learn to follow their curiosity through learning and play.

Your children will continue to learn and grow as they progress through Logan Village's primary and secondary schools. Enrolling your children in our local schools will give them the chance to build lasting friendships with other children and families in the community.

The close-by further education campuses, such as TAFE and Griffith University, will continue to enrich your children's minds as they learn essential skills for future employment, putting them on the right path for their future.

Look towards the future

Over the next 15 years, Logan will be one of the fastest-growing areas in South East Queensland.

By 2036, the current population will be just over 340,000 and is predicted to exceed 500,000. Bluegum Rise will benefit from local council infrastructure projects and is close to the Yarrabilba Priority Development Area (PDA), which is eight years into a 30-year project to be a city for the future.

There are many employment opportunities close by when you live at Logan Village across construction, health care and social assistance, manufacturing, retail, education and transport to name a few.

Key employment hubs include Stapylton/Yatala, Loganlea, Slacks Creek and Browns Plains.

Logan Village offers quick access to the M1 Motorway, Logan Hyperdome Shopping Centre and Griffith University Nathan campus. The South East Busway provides public transport links to Brisbane CBD and surrounding suburbs.

For those seeking more rural pursuits, Tamborine Mountain is just a short drive away.

Living at Logan Village puts you right in the middle of everything, allowing you to access the best of what South East Queensland has to offer with ease.
