A community with a bright future

Just a 2-hour drive north of Melbourne along the Hume Highway, and with easy access to the train station and airport, the City of Benalla enjoys a prime position within central Victoria.

Benalla is currently experiencing **unprecedented growth** in local employment opportunities which is expected to extend well into the future. These new or expanding businesses have injected a significant amount of capital into the local area.

One such example being the **brand-new concrete precast factory**, the largest in the Southern Hemisphere which supplies precast elements for high profile infrastructure projects in Victoria and NSW.

There is a unique opportunity for investors considering this booming Benalla location with **low vacancy rates** and **high rental yields**.

A vibrant arts and cultural scene flourishes, with Benalla home to one of Victoria's premier galleries and the Benalla Performing Arts and Convention Centre. With the wine regions of King Valley in one direction and Rutherglen to the other, Benalla is well placed along the established food and wine trail.

Whether you're a motor fan catching the action at the nearby Winton Raceway or want to take in the natural surrounds while walking or cycling the trails around Lake Benalla and beyond, life here is overflowing with activity.
